

Hold On Heart

Verse:

C#m **A** **C#m**
Hold on heart and don't let go
 B **C#m**
For hope, it comes in the morning
C#m **A** **C#m**
Hold to hope, it's all I know
 B **C#m**
With the daylight comes a warming

Chorus:

C#m **A** **B** **C#m**
O...
C#m **A** **B**
O...

You're breathing life into these bones
With a breath so pure and holy
I'm alive, I've been raised up
By the nail-scarred hands of my savior

Dry up tears, the pain is gone
He will take away the sorrow
Clear my head, I'll sing this song
Holy, Holy, Holy Holy
