**E**

I choose to breathe the breath of Christ,

**C#m**

which makes all things Holy in my life

**A**

**E**

I choose to live love, live ..... loudly

**E**

I choose to drink from the living waters

**C#m**

flowing from His hands and feet

**A**

**E**

Coming to wash me, wash me whiter than the snow

**(Chorus)**

**A**

**C#m**

When I seek You, I find You in the morning

**B**

**A**

Moved by all Your Glory, bringing things to life

**A**

**C#m**

When I call out, You answer me so swiftly

**B**

**A**

Oh You got me dizzy with Your overwhelming love

**(bridge)**

**A**

**C#m**

**B**

O...

**A**

I can't believe it

**C#m**

We can receive it

**B**

**A**

This unconditional love

**A**

**C#m**

*When I seek You, I find You in the morning*

**B**

**A**

*Moved by all Your Glory, bringing me to life*
