

You Are God (Guatamala Song)

A **C#m**
Even when the walls crumble and fall into ruins

B **C#m**
Beautiful things will grow, beautiful things will grow

A **E** **C#m** **B**
You lift me from the ashes, set my feet on solid ground

A **E** **C#m** **B**
You are my provider, you are God, You are God

A **C#m**
Ours is a faith that has lasted through the ages

B **C#m**
It's seen generations change, seen generations change
